

SECTION 01 · BUSINESS TRANSFORMATION BRIEF

Capture Every Lead. Reclaim 2+ Hours Daily with **Autonomous Voice AI**.

High-end interior design and custom upholstery clients expect instant responsiveness. Traditional studios lose 20–30% of high-intent consultation revenue when calls go to voicemail during design sessions or after hours. BrainyDesk delivers an intelligent AI Receptionist trained on Armorie Interiors that answers in 2 seconds, qualifies custom design leads, and books consultations live.

94%

INBOUND RESOLUTION RATE

Picks up in under 2 seconds, answers FAQs on furniture & custom upholstery, and books consultations directly into open calendar slots with zero hold time.

2+ Hours

SAVED PER DESIGNER DAILY

Eliminates routine phone tag, vendor delivery inquiries, and administrative screening so your creative team stays focused on client spaces.

24/7/365

CONTINUOUS LEAD CAPTURE

Captures after-hours and weekend callers instantly. Never let an inquiry for luxury furniture, lighting, or custom drapery slip away.

CUSTOM-TRAINED FOR ARMORIE INTERIORS

Embedded with your Midland, TX showroom location (2612 W Front St), business hours, custom upholstery workflows, and direct calendar integration.
